New users click here

Step 2 Complete sign in page. **Union member:** For employee number enter "MOKAN" before your member ID with a 0 at the end. **Spouse enter "MOKAN" before member ID with a 1 the end.**

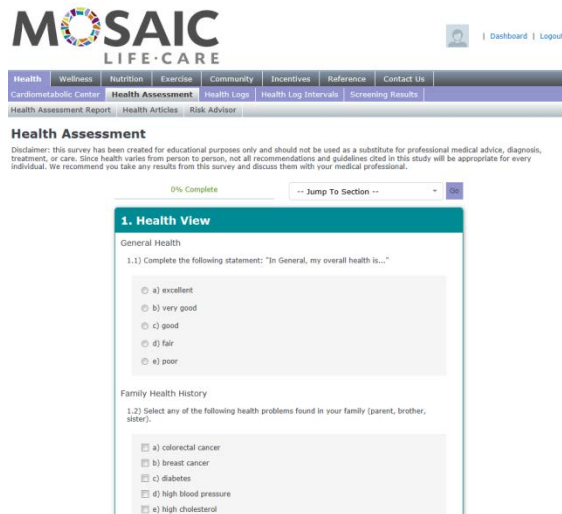

Step 3 The next page will be a disclaimer about the Health Assessment, please read through and select *I Agree*. Click to continue

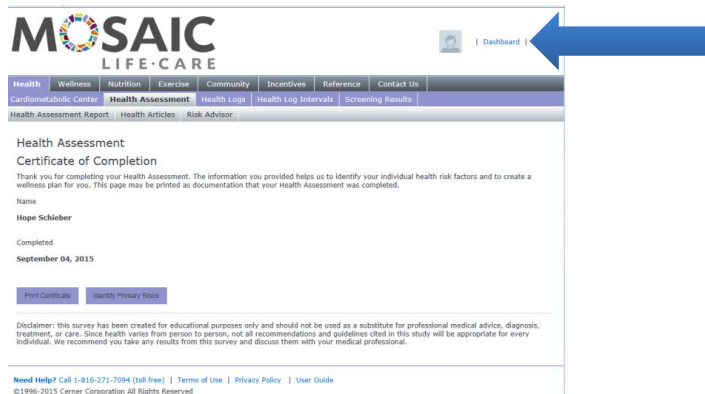

After entering in all required information, read the Terms of Use and click that you *Accept* to create your account.

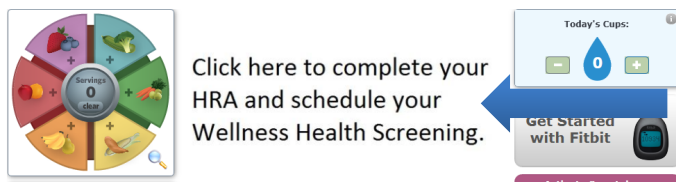

Step 4 The next page will take you to your Personal Health Assessment, a series of questions about your health and wellness. Please fill out completely. You must complete this to finish setting up your account.

Step 5 After finishing the Health Assessment questions, you will be asked for biometric information. Leave these values blank and hit next. Once you see certificate of completion, head back to the dashboard by selecting "Dashboard".

Step 6 Create your appointment by clicking here. Select your day and location on the calendar. Register for a time slot.

If you have any questions or need assistance please call us at 816-271-7094.
